Re: Approval of the Well Abandonment and
Replacement SOP for MW-54;
American Chemical Service, Inc.,
NPL Superfund Site, Griffith, Indiana

Dear Mr. Adams:

The United States Environmental Protection Agency (U.S. EPA) has completed review of the Well Abandonment and Well Replacement Specific Operating Procedure (SOP) dated April 3, 1997. This SOP was submitted by Montgomery Watson on behalf of Respondents. U.S. EPA hereby approves the SOP. Please inform U.S. EPA when the field activities will occur so that appropriate oversight may be scheduled.

Re: Approval of the Well Abandonment and
Replacement SOP with MW-54;
American Chemical Service, Inc.,
NPL Superfund Site, Griffith, Indiana

Dear Mr. Adams:

On February 7, U.S. EPA approved with modifications a SOP dated for the abandonment of the Kapica-Pazmey well. This SOP was submitted by Montgomery Watson on behalf of Respondents.

The abandonment occurred on February 7. However, Montgomery Watson made a field decision to modify the approved procedure without prior notification to U.S. EPA. This modification was documented in a ? letter.
